SURFACE TREATMENT, BLASTING
POWDER & WET PAINT SYSTEMS

EFE EUROPE COMPANY

EFE EUROPE was founded in 2018, EFE EUROPE operates in the fields of, engineering, consultancy, production, installation and after-sales services for paint shop facilities.

EFE EUROPE; has adopted the company strategy as being a pioneer in the sector in which it operates, being respectful to the environment and social values in the formation process of the products, and contributing to a better future. In this way, without compromising the reliable and stable structure it has acquired, it is on the way to move the sector in which it operates forward.

In addition to its experience and knowledge of over 30 years, this approach, which it has with a customer-oriented and productivity-oriented working approach, gains value and develops not only with financial gains, but also with the contribution of the resulting products to the whole society. Projects that are worked on with the priority of achieving the highest level of satisfaction; It is implemented by producing optimum solutions without sacrificing excellence, speed, innovation and security.

- EFE EUROPE Boyama Kabinleri LTD. supplies its products from İLKE A.Ş. That is **first** and **biggest** professional painting and drying booth manufacturer, was established in İzmir, Turkey, in 1989.
- Current production is carried out in **9.000 m²** enclosed area, which is located in **15.000 m²** open land, continuing its production by using state of art technology CNC machinery systems and equipment for more than **35 years**.
- İLKE's thousands of products has been established nearly everywhere in Turkey and more than 50 countries worldwide. By raising its exportation with the trust of being the first and the biggest company of its market, presently the company is exporting %50 of its production worldwide.

PRETREATMENT LINES

Enhanced Technologies
offers you creative solutions.

{ We strive to produce high-efficiency painting systems that work for you. }

OUR PRODUCTION TOPICS

Prototype Vehicle Painting and Drying Booth, Hexagon/KOCAELİ

B/S/H/ Çerkezköy Fabrika / İSTANBUL

POWDER COATING SYSTEMS

Multiple painting plants
and business circulation

{ Your new production period
with its advantages and
flexibility. }

your health for production
don't risk it!

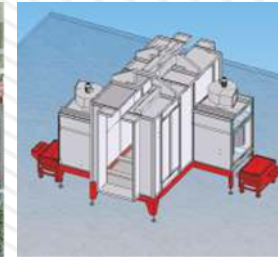

{ Systems that work not only for
production but also for human
health. }

Powder Coating
Booth Filters

HISARLAR

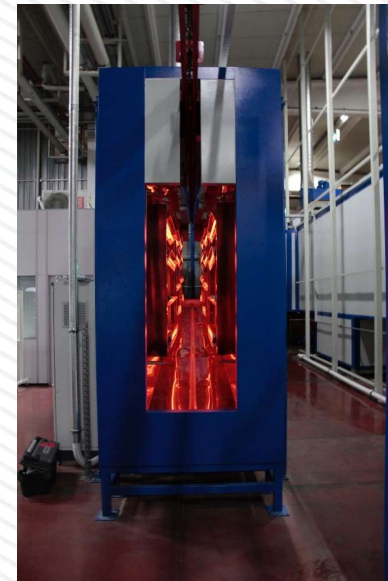

CURING OVENS

economical solutions
Empowering your
business

{ Faster and easier results with
economical consumption and high
efficiency baking ovens }

Make your labor **easier**.

{ Systems produced to meet the needs
of users... }

Infrared Oven, Vestel A.Ş.

WET PAINT, POWDER COATING APPLICATION AND CURING FACILITIES

You will find out the **innovations..**

{ With our solutions, your projects will
evolve and change. }

 **ALPLER**

Alpler Tarım Makinaları / AYDIN

CONVEYOR SYSTEMS

Partnership with Europe's Leading Conveyor Manufacturers

Thanks to our cooperation with European leaders in conveyor production, we are proud to produce versatile painting facilities with conveyor systems at European standards.

Constant Mobility, development and globalization..

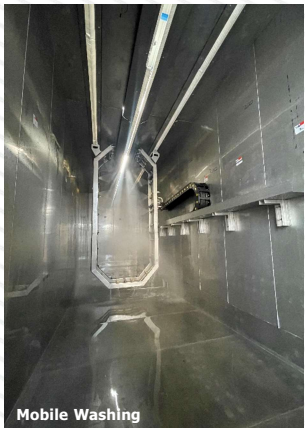

Think more dynamically, faster and at scale.

CHEMICAL COATING SYSTEMS

It is important in the **functioning** of systems as well as their **different appearance..**

{ Spray coating facilities designed to provide high efficiency.. }

INDUSTRIAL OVENS

We are pushing the limits!

{ We produce systems with high temperature cooking features that are suitable for the physical structures of your products. }

ENDÜSTRİYEL BOYAMA VE KURUTMA KABİNLERİ

Onu detaylar **özel kılıyor...**

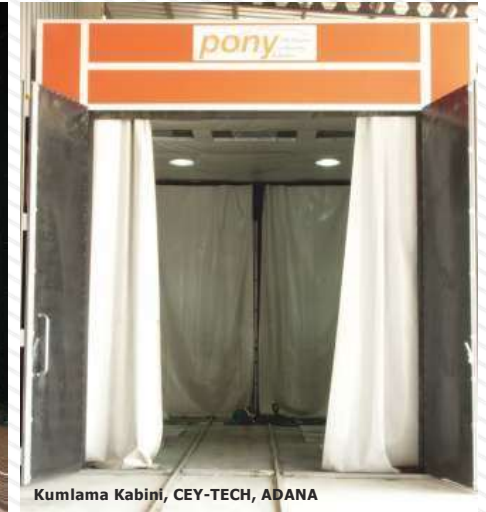

{ Küçük değişikliklerle büyük farklılıklar. }

BLASTING BOOTHS

Yüksek boyama kalitesi için...

{ Özel üretim kumlama sistemleri }

MOBİLYA BOYA UYGULAMA VE KURUTMA KABİNLERİ

Güvenilir, etkin ve hızlı
çözümler sunuyoruz.

{ Hizmeti, alanındaki uzmanlığının
en önemli göstergesidir. }
